LEARN TO SWIM PROGRAMME

It has been an exciting and challenging year and we are excited by the way you keep encouraging your friends to come and join us.

Our existing swimmers have progressed very well over the last year and we are now in a position to offer vacancies within our Learn to Swim Programme.

On offer

A free taster lesson to anyone interested in joining our programme from a complete beginner to an advanced swimmer our lessons are structured for anyone who would like to achieve Stages 1 to 7 of The New asa National Plan for Teaching.

We also provide within our Programme an advanced swimmer pathway. This is targeting swimmers who have already reached Stage 7 of NPTS and are interested in Competitive Swimming.

We can offer these swimmers Stages 8,9,10 of NPTS within our Competitive Development Group where swimmers learn skills to enable them to take part in Competitive swimming.

So do not delay. If you would like to claim your free taster lesson contact Carol Sidaway on 01384 287229 or complete an application form from our web site submit it to Carol and we will get to new customers as quickly as possible.

We have our Club Night from 7:45 to 8:45 every Thursday evening. We are a friendly bunch of people so if you would like to pay us a visit and have a look round you would be made most welcome. This would give you an opportunity to talk with other members and officials of the Club who would be happy to answer any questions you may have.
